

Your time is valuable. Don't spend it preparing data.

As insurers are constantly being asked to do more with diminishing resources, carriers find that bureau reporting is one of the most logical tasks to outsource. Statistical reporting ties up many carriers' operational, technical, and management resources—resulting in lost business opportunities.

Redeploy resources to

- Enhance customer experience
- Attract higher volume producers
- Launch new products
- Expand to new states
- Improve data analytics

Enhanced Statistical Reporting Services for carriers of all sizes

IDP's comprehensive bureau reporting services allows you to streamline reporting while remaining compliant. We are the bureau reporting SME.

How it Works

We report all personal and commercial lines written in all 50 states and Puerto Rico to the major rating bureaus, including:

- | | | |
|--------|-----------|---------|
| ■ ISO | ■ SFAA | ■ AAIS |
| ■ NISS | ■ TICO | ■ AIPSO |
| ■ ISS | ■ MassCAR | ■ URB |
| ■ MSO | ■ NCCI | |

Our blend of insurance and IT expertise, practical knowledge of policy administration systems, and strong bureau relationships provide you with a valuable, cost-effective solution.

More

Focus on strategy, not statistical reporting. It's time to do more.

Benefits to Outsourcing Statistical Reporting

- **Increase overall efficiencies** by capitalizing on IDP's best-of-breed processes, insight, and discipline developed from 65+ years of expertise.
- **Eliminate fines** for missing deadlines and submitting erroneous data.
- **Focus on profitable engagements** instead of monitoring circulars for reporting requirement changes, handling lengthy calls, and error correction processes.

About IDP

IDP provides turnkey IT services and cloud-based systems, as well as comprehensive bureau reporting and information protection services for property and casualty (P&C) insurers, residual market plans, and program administrators. COMPASS is IDP's new Business Intelligence/Analytics platform providing users with greater data-management controls and visualization. Drawing on deep insurance industry expertise and rich customer insights, IDP develops agile and affordable solutions which support new business growth, streamline processing, and show product cost savings almost immediately.

“We chose to outsource our bureau reporting so we could gain efficiencies that we did not need to develop internally. IDP was our choice because we felt their expertise exceeded other vendors we researched.”
